Unit Type:

Portable

Product Name:

Two-lumen central venous catheterization set with blue flextip catheter

Special Features:

Us patent number 5, 484, 419 and 6, 477, 402

Material:

Plastic, polyurethane

Material:

Plastic polyurethane

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-d
