Expanded Diameter:

2.000 inches

Extended Length:

20.000 feet

Product Name:

Tubing sterilization nylon 2in wide by 20 ft. Roll

Special Features:

Used for packaging medical supplies for steam sterilization; use with sealing iron, nsn: 3540-00-299-9811; not to be used with high volume sterilization; 20 ft. Roll

Material:

Nylon

Material:

Plastic polyamide

Supplementary Features:

THIS-NS-NIS-NOTP

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-d
