Expanded Diameter:

4.000 inches

Extended Length:

40.000 feet

Product Name:

Tubing sterilization nylon 4in wide by 40 ft. Roll

Special Features:

Used for packaging medical supplies for steam sterilization; use with sealing iron

Material:

Nylon

Material:

Plastic polyamide

Supplementary Features:

THIS-NS-NIS-NOTP

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-d
