Overall Length:

20.130 inches

Overall Height:

15.800 inches

Overall Width:

15.300 inches

Current Type:

Ac

Voltage Rating:

Between 115.0 volts and 230.0 volts

Individual Motor Quantity:

1

Motor Current Type:

Ac

Motor Voltage In Volts:

230.0

Product Name:

M9 ultraclave auto sterilizer

Special Features:

Capaci type 1.1 gallons; 2 large trays, 1 pouch rack; lcd display: cycle, temp, exposure time; auto open door; self programmable controls

Material:

Plastic and steel

Material:

Plastic and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T265-c
