Overall Length:

29.060 inches

Overall Height:

26.620 inches

Overall Width:

27.000 inches

End Application:

6630-01-533-4481 generator, oxygen, medical, pogs

Current Rating:

14.000 amperes

Unpackaged Unit Weight:

200.000 pounds

Product Name:

Compressor feed air pogs 33c

Special Features:

Feed air compressor of pogs 33c system; electrical: 208 - 240 v, 60 hz, 3 phase; output (sea level): 14.7 scfh at 100 psig

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
