**Overall Length:**

29.060 inches

**Overall Height:**

26.620 inches

**Overall Width:**

27.000 inches

**End Application:**

6630-01-533-4481 generator, oxygen, medical, pogs

**Current Rating:**

14.000 amperes

**Unpackaged Unit Weight:**

200.000 pounds

**Product Name:**

Compressor feed air pogs 33c

**Special Features:**

Feed air compressor of pogs 33c system; electrical: 208 - 240 v, 60 hz, 3 phase; output (sea level): 14.7 scfh at 100 psig

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
