**Voltage Rating In Volts:**

Between 100.0 ac and 240.0 ac

**Product Name:**

Light general exam green series 300

**Special Features:**

Number of leds: 1; color: white; color temperature: 5500 degrees k; light intensity (at typical working distance): 20, 000 lux (1858 footcandles); led life: approx. 50, 000 hours; working distance: 12 in, 20 in; spot size at working distance: 5 in to 6 in; electrical input: 100-240 v, 50-60 hz, 0.35 a max.; power cord: no. 18 awg, 3-wire grounded cord set, 8 ft long; weight, mobile stand: 12.75 lb; control box dimensions: 10.83 in height, 3.94 in width, 3.15 in depth; luminaire dimensions: 7.48 in height, 3.54 in width, 3.15 in depth; mobile stand dimensions: 24.02 in height, 20.87 in diameter

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A06300
