Voltage Rating In Volts:

Between 100.0 ac and 240.0 ac

Product Name:

Medical lighting system

Special Features:

Diameter of light head: 785mm; light field diameter adjustable: 220-290mm; depth of illumination: 1100mm; light sources: 108 high performance led; life time light sources: app. 30000 hours; max. Power supply: 24v ac/dc, 100v-240v ac, 50-60hz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
