Overall Length:

85.000 inches

Overall Width:

70.000 inches

Features Provided:

Disposable and sterile

Product Name:

Sheet drape 70x85in sterile 20s

Special Features:

Composed of five layers for higher barrier strength; material: polypropylene; latex free; sterile; dimensions: 70 in w x 85 in l (178 cm w x 216 cm l); disposable; package of 20

Material:

Plastic, polypropylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T087-a
