**Features Provided:**

Tip on one end

**Product Name:**

Safety pin, hard-drawn spring steel, zinc plated

**Special Features:**

0.047 inches thick; coating: astm b633, sc1, type iii

**Length:**

1.56 inches

**Material:**

Steel

**Surface Treatment:**

Zinc

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A45400
