Features Provided:

Tip on one end

Product Name:

Safety pin, hard-drawn spring steel, zinc plated

Special Features:

0.047 inches thick; coating: astm b633, sc1, type iii

Length:

1.56 inches

Material:

Steel

Surface Treatment:

Zinc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A45400
