Unit Type:

Wide bridge

Product Name:

Insert optical chemical-biological mask universal size

Exterior Container Weight:

18.00 pounds

Exterior Container Cubic Measure:

2.240 cubic feet

Exterior Container Quantity:

288

Intermediate Package Quantity:

12

Unit Of Issue Cube:

0.008 cubic feet

Supplementary Features:

For use with m14a2, m17a1, and m25 protective mask; one piece plastic frame; universal size

Unit Of Issue Weight:

0.06 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T146-a
