Overall Length:

6.000 inches

Overall Width:

0.500 inches

Product Name:

Ruler measuring pupillary distance 6x0.50" flex deeply etched

Special Features:

Flexible; deeply etched; graduated in millimeters and inches

Color:

Any acceptable

Material:

Stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T146-f
