End Application:

6540-01-504-0426

Product Name:

Compound monomer op-85

Special Features:

Op-85 1.534 index monomer compound; clear; used to make abrasion and impact resistant lenses; for use with end item lens molding system, nsn 6540-01-504-0426; 450 gram bag

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
