Current Rating:

15.0 amperes

Wattage Rating:

1800.0 watts

Voltage In Volts And Current Type:

110.0 ac

Product Name:

Fast grind multivision fabrication system

Special Features:

Multivision fabrication system aka fast grind system grinds and polishes pre-blocked multivision lenses; includes: fast grind machine (p/n fg2200), power cord (p/n 120-010-06-01), inspection lamp (p/n 260-020-0601), water system (p/n 253-001-99-15), gpci (p/n 225-060-06-01), green lens holder (p/n 150-010-99-06), red lens holder (p/n 150-011-99-06), digital thickness gauge (p/n fe gauge)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
