End Application:

6515-01-240-6883

Product Name:

Parts kit blood recovery delivery system b (end 6515012406883)

General Description:

C/o 1 each of the following; hall effect sensor assembly p/n 13895-00; pneumatic amplifier p/n 14126-00; centrifuge locking solenoid p/n 15842-00; centrifuge cover p/n 15568-00; centrifuge cover kit p/n 17653-00; switch, base, miniature p/n 15843-00; air detector assembly p/n 14493-00; optics module assembly p/n 14440-00; pump assembly p/n 14584-00; centrifuge assembly p/n 13868; weigher assembly p/n 14646-00; fan assembly p/n 14658-00; compressor assembly p/n 14264-00; microswitch p/n 14541-00; circuit breaker p/n 14319-00; processor i/o pcb assembly p/n 13099-00; driver, pcb assembly p/n 16951-05; centrifuge motor control p/n 13183-00; cpu pcb assembly p/n 13072-00; processor, expansion pcb assembly p/n 14564-00; power supply pcb p/n 14115-02; switching power supply pcb 14430-00; centrifuge locking arm left p/n 13896-00; centrifuge locking arm right p/n 13897-00; 3 support plate waste bags p/n 13680-02
