Fragility Factor:

Moderately delicate

End Application:

Medical/laboratory field medical products

Protective Storage Feature:

Controlled room temperature

Product Name:

Oligo (dt)-cellulose

Special Features:

Avoid dust formation; substance is not classified as dangerous according to directive 67/548/EEC; transport info-ADR/RID-not dangerous; IMDG-not dangerous; IATA-not dangerous; may cause respiratory, eyes and skin irritation; do not swallow; store -20deg C in tightly closed container

Special Test Features:

Material to avoid-strong oxidizing agents

General Description:

For polyadenylated mRNA purification using rapid and simple chromatographic techniques

Shelf Life:

N/A

Unit Of Measure:

--

Demilitarization:

No
