Serum Glucose Determination Coil - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6550-01-146-4173

General Description:

No

Plastic	c, immobilized enzyme;	coated with hexokinase ar	nd glucose-6-phosphate	dehyrogenase.	For use on the smaii	c18 chemistry ar	nalyzer
for the	determination of serum	n glucose					

Plastic, immobilized enzyme; coated with hexokinase and glucose-6-phosphate dehyrogenase. For use on the smail c18 chemistry analyze
for the determination of serum glucose
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
