Usage Design:

For creatine phosphokinase

Test Capability Quantity:

25

Product Name:

Test kit creatine phosphokinase det 25 determinations

Component Breakdown Within Each Test Kit:

Bt buffer solution; bt creatine solution; bt fiske-subbarow reducer; bt atp-glutathione reagent acid molybdate solution

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510v0
