Usage Design:

Test for glucose-6-phosphate dehydro-genase activity

Test Capability Quantity:

100

Product Name:

Test kt glucose-6-phosphate dehydrogenase activity detr 100 test

Test Media:

Blood

Component Breakdown Within Each Test Kit:

Two 100 ml unit 400-5 mineral oil; 10 vials 400-10 substrate; one 50 ml 400-4 trizma

Supplementary Features:

Medsep item for dod, sigma chemical co

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510v0
