Physical Form:

Liquid

Primary Container Type:

Ampul, crushable

Primary Container Content Quantity:

0.500 milliliters

Total Primary Container Quantity:

50

Product Name:

Reference standard tryptophanase liq.500ml in plas dropper sleeves50s

Special Features:

In plastic dropper sleeves

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10000
