Usage Design:

Identify streptococci group d

Test Capability Quantity:

50

Product Name:

Test kit streptococci group d identification 50 tests

Component Breakdown Within Each Test Kit:

Strep d reagent; strep d negative control; droppers; disposable slides

Exterior Container Weight:

9.8438 pounds

Exterior Container Cubic Measure:

0.9925 cubic feet

Exterior Container Quantity:

15

Unit Of Issue Cube:

0.6617 cubic feet

Unit Of Issue Weight:

0.6563 pounds

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510v0
