Usage Design:

For the determination of total protein

Test Capability Quantity:

1800

Product Name:

Test kit total protein determination 1800 tests

Component Breakdown Within Each Test Kit:

Three 100 ml bottles of blank reagent; one 100 ml bottle of biuret reagent

Supplementary Features:

Medsep item for dod, roche analytical instruments inc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510v0
