Cycloserine Cefoxitin Fructose Agar Culture Medium - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6550-01-310-6481

#### **Physical Form:**

Gelatin

Primary Container Type:

Dish, petri

## Product Name:

Culture medium cycloserine cefoxitin fructose agar single plated

#### **Special Features:**

Single plated media

### Shelf Life:

N/a

## Unit Of Measure:

---

## Demilitarization:

No

Fiig:

A10000
