Physical Form:

Gelatin

Protective Storage Feature:

Requires refrigeration between 2 degrees to 8 degrees c

Primary Container Type:

Tube

Total Primary Container Quantity:

10

Product Name:

Culture medium gn broth 10 tubes per package

Special Features:

16 x 102 mm size tube

Supplementary Features:

Medsep item for dod, bbl

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10000
