Phenylethyl Alcohol Blood Agar Culture Medium - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6550-01-341-7460>

Physical Form:

Gelatin

Primary Container Type:

Dish, petri

Total Primary Container Quantity:

10

Product Name:

Culture med phenylethyl alcohol bld agar 10x100mm petri dish 10s

Special Features:

10 x 100 mm size plates; w/5 percent sheep blood

Supplementary Features:

Medsep item for dod, remel labs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10000
