Physical Form:

Lyophilized

Features Provided:

Thinner

Primary Container Type:

Bottle

Total Primary Container Quantity:

12

Product Name:

Control creatine kinase f/use w/kodack dt analyz isoenzyme cont

Special Features:

Sufficient for approx. 100 tests; keep frozen; after reconstitution; storage at 2 to 8 deg. C; for use w/kodak dt analyzer; isoenzyme control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10000
