Usage Design:

For demonstration of alkaline phosphatase

Test Capability Quantity:

100

Product Name:

Test kit alkaline phosphatase determinations

Component Breakdown Within Each Test Kit:

Fast blue rr salt caps 10; 100ml mayers hematoxylin solution 1; 20ml naphthol as-mx phosphate alkaline solution 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510v0
