Physical Form:

Liquid

Usage Design:

Glucose monitoring

Primary Container Type:

Bottle

Total Primary Container Quantity:

2

Product Name:

Control glucose comfort curve solution 2s

Special Features:

Comfort curve h control solutions for use on the accu-chek advantage glucose monitoring system; in vitro diagnostic use; store at room temp., do not freeze

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10000
