Product Name:

Progesterone recepto (clone sp2)

Special Features:

Rabbit monoclonal antibody; 7.0mlqty.; ready-to-use immunohistochemicalstaining; recombinant protein encodinghuman progesterone receptor 412-516aa; intended for immunohistology(formalin/paraffin; store vial at 4degc; when stored at 2-8degc antibody is stable for24 months

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
