Storage Temperature Range:

+18.0/+26.0 degrees celsius

Special Features:

Gelling range 37-41 degrees c; melting range 93-96 degrees c; moisture less than or equal to 8.5 percent; sulfate less than or equal to 0.06 percent; pulse field applications; pulse-field gel electrophoresis grade

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
