**Usage Design:**

Detects antibodies to the hepatitis c virus

**Test Capability Quantity:**

100

**Product Name:**

Access hcv ab plus

**Test Media:**

Serum

**Component Breakdown Within Each Test Kit:**

Two reagent packs

**Special Features:**

Paramagnetic-particle; chemiluminescent immunoassay

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510v0
