Usage Design:

Rapid screening test for the detection of antibodies

Test Capability Quantity:

20

Product Name:

Hiv 1/2 stat pak assay

Test Media:

Blood or plasma or serum

Component Breakdown Within Each Test Kit:

20 test devices; 1 running buffer; 20 sample loops; 1 product insert

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510v0
