End Application:

Hybridization probe assays

Usage Design:

Detection of escherichia coli 0157 dna

Product Name:

Escherichia coli 0157

Special Features:

For research use only, not for diagnostic procedures; for use with r.A.P.I.D. Models 7200, 9200, It

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510v0
