End Application:

Diagnostic tests

Total Primary Container Quantity:

240

Product Name:

Ahdl no pretreatment test

Test Media:

Plasma or serum

Component Breakdown Within Each Test Kit:

240 test per carton

Special Features:

High density lipoprotein assay (ahdl); homogeneous method for directly measuring hdl-c levels; ean 0842768014161

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510v0
