Storage Temperature Range:

+2.0/+6.0 degrees celsius

End Application:

6630-01-536-1456 luminometer

Product Name:

Swab test chef 100s

Special Features:

SING-LE-USE-,POS

Functional Description:

Detects phosphatase activity associated with raw meat; used test meat after heat processing to verify doneness

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
