Special Features:

Cas number 501-36-0; molecular weight 228.24; storage temp minus 20 c; white to off-white powder; faint yellow solubility; clear (turbidity) clear 50 mg./ml acetone; carbon 73.0-74.3 pct; conforms to structure infrared spectrum; purity (gc) equal to or greater 99 pct; purity (tlc) equal to or greater than 99 pct

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
