

View Online at <https://aerobasegroup.com/nsn/6550-01-586-0514>

Special Features:

Cadherin e; 500 ul at 200ug/ml concentration; unlabeled; purified with bsa and azide; spm471 clone designation; 1gg2b/k isotope; human species reactivity; aa 600-707 epitope; recombinant protein encoding human cadherin e aa 600-707 immunogen; 120kda molecular weight; colon ca positive control; cell membrane localization

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
