

# NSN 6550-01-586-0529

Mouse Monoclonal Antibody - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6550-01-586-0529>

**Special Features:**

Keratin 19 ab-1; 40 kda molecular weight; aa 312-335 epitome; human species reactivity; a53-b/a2.26 clone designaiton; human breast cancer mcf-7 cells immunogen; ready to use for immunohistochemical staining

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No
