Product Name:

Aspartate aminotransferase (ast) 4 x 104 ml r1 4 x 104 ml r2

Special Features:

Quantitative determination of aspartate aminotransferase (ec 2.6.1.1) activity in human serum. For use on the au2700/5400/680 system only

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10000
