Overall Length:

5.690 inches

Overall Height:

2.560 inches

End Application:

C130 aircraft, c-12 compass system

Special Features:

Not nvis compatible

Functional Description:

Allows input of latitude and compass heading

Reference Data And Literature:

5n6-4-11-4

Relationship To Similar Equipment:

6605-01-432-2259 is nvis compatible

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
