General Description:

3c/o printed wiring cable, r/n 34022010-801, 1; insulation, flexible, r/n 34022010-802, 1; o/a lg 3.000 in.; material: polyimide; 0.015 in.

Distance between conductive paths; conductors, 13; conductor material: copper clad, fms 40280, fl-p1-001c2, cl ii

Fsc Application Data:

Inertial measurement unit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
