End Application:

Compass set, fluxgate, model st60

Shock Mount:

Not provided

Electrical Connection Quantity:

1

Mounting Method:

Flush

Heeling Correctors:

Not provided

Stabilizing Feature:

Included

Direction Sensing Element Type:

Fluxgate

Electrical Connection Cable Watertight Gland:

Not furnished

Quadrantal Spheres:

Not included

Product Name:

Compass, magnetic, mounted

Special Features:

Environmental waterproofing to u.S.C.G. Cfr-46 standard; interfaces seatalk or nmea 0183 via st60 multi or interface box; mounting standard console mounting, optional low profile flush mount (p/n a25003) and trunion mount kit (p/n e25009); operating temp 14 degrees f min and 158deg f max; operating voltage 10v - 16v; master or repeater operation; power consumption: 45ma

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T261-h
