Overall Height:

2.900 inches

Overall Diameter:

2.900 inches

Contact Quantity:

1

Contact Type:

Male pin

Electrical Connection Quantity:

1

Mounting Method:

Base or bracket

Mounting Point Quantity:

3

Product Name:

Mems quartz tactical inertial measurement unit

Special Features:

10 - 42 vdc input; less than 5.0 watt power draw; -55 to 85 c operating temp; less than 1.5 second start up time

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T261-a
