Overall Length:

7.120 inches

Attachment Device Type:

Dowel pin

Overall Diameter:

4.500 inches

Case Material:

Any acceptable

Case Surface Treatment:

Any acceptable

Switch:

Not included

Contact Quantity:

23

Cable Conductor Quantity:

23

Contact Type:

Male pin

Cable Length:

18.000 inches

Electrical Connection Quantity:

1

Electrical Connection Controlling Agency:

Lockheed aircraft corp

Electrical Connection Identifying Number:

Part no. Ls13580f16-23pn

Mounting Method:

Clamp

Electrical Heating Element:

Provided

Sensing Element Type:

Probe

Cable Connector Identifying Number:

Ls13580f16-23pn

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T261-a
