Sensor Pressure Element - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6610-01-078-0025

End Application:
Aircraft model a-6e
General Description:
Differential pressure; 0.27 to 25.460 in. Hg operating press range; 30 in. Hg differential proof pressure
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:

Yes - demil/mli
