Attachment Device Quantity:

2

Mounting Method:

Tubular

Mounting Position:

Tubular horizontal

Electrical Heating Element:

Not provided

Special Features:

Nut collar 1; adaptor tube 2; connector static pressure 1; ring sealing2; secure tube adaptor to connector using adhesive mil-s-22473, grade b

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T261-a
