Transducer And Coupling Assembly - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6610-01-240-4753>

End Application:

6610-01-212-6464

General Description:

Accepts error signal and generates to 1 of 2 servo amplifiers; maintains linearity, which is proportional to static pressure altitude

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
