Attachment Device Type:

Screw

Attachment Device Quantity:

4

Contact Quantity:

2

End Application:

Pacerdawn

Contact Type:

Pin

Electrical Connection Quantity:

1

Mounting Method:

Fixed flange

Mounting Position:

Right side

Electrical Heating Element:

Provided

Special Features:

Static pressure: 9/16-18 unjf-3a thread, fitting per ms33656-6; pitot pressure: 7/16-20 unjf-3a thread

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T261-a
