Mounting Hole Diameter:

2.125 inches

Current Type:

Dc

Dc Voltage Rating:

12.0 volts

End Application:

Used on mercruiser and outboard motors

Mounting Facility Type And Quantity:

1 unthreaded hole

Special Features:

Qsi series; power trim guage; single pack

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A53200
